

Canvas Parent Observer Account Creation and Setup

Observers are able to view Canvas Courses that the student is enrolled in, including student's assignments, events, and course interactions. Observers do not have the ability to interact with any content, submit assignments, or communicate with other students or observers in the course(s). **NOTE: Students must create a pairing code for an observer.**

- Locate a Pairing Code (Student)
- Students log into the NPDesktop.
- Click the Canvas Icon -

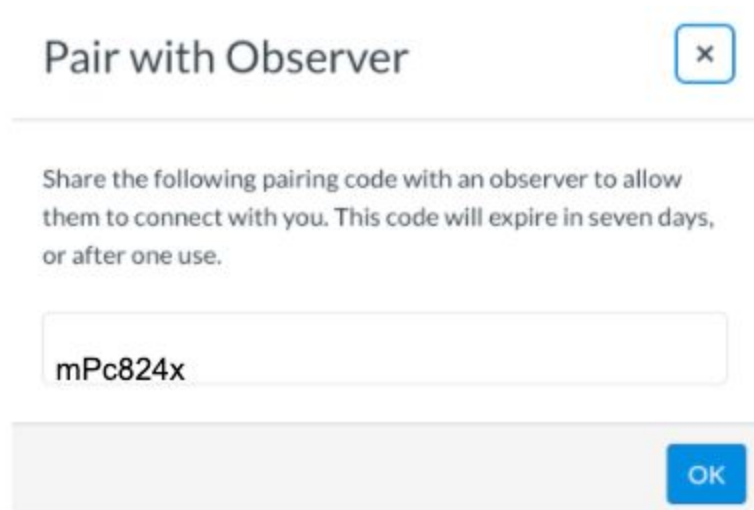

- Click the "Account" Icon and go to "Settings"

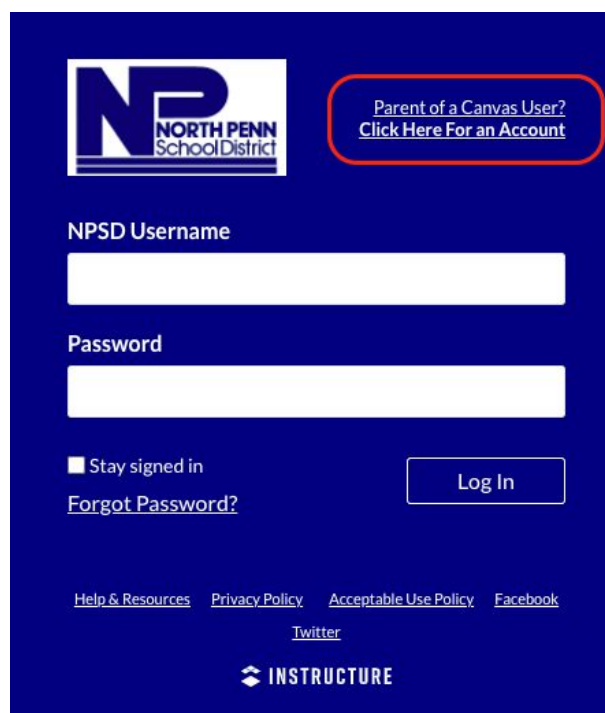

- Click “**Pair with Observer**” (on the right side of of the screen)

- Share the code with Parent/Guardian that will be the Observer. Please note: this is case sensitive.

- Parents: To create an account via the Canvas Webpage
Open the North Penn Canvas URL: <https://npenn.instructure.com>
Click the “*Parent of Canvas User? Click Here for an Account link*”
(to download the mobile app, see page 5 of this document)

- Enter your name and email address and create a password, then enter the pairing code you were given by the student and click “Start Participating”

A screenshot of the registration form on the npenn.instructure.com website. At the top, there is a status bar with "Verizon", "10:47 PM", and "100%". Below that is a "Back" button and the URL "npenn.instructure.com". The form contains several input fields: "Your Name", "Your Email", "Password", "Re-enter Password", and "Student Pairing Code". There is a link "What is a pairing code?" next to the "Student Pairing Code" field. At the bottom, there are three buttons: "View Privacy Policy", "Cancel", and "Start Participating".
